Register with eHealth via Health Programme in One Stop

參加醫療計劃的市民，需要先登記醫健通及給予「無限期」的互通同意以授權相關醫護機構閱覽及上載有關的醫療紀錄，簡單兩步就可一站式完成：

Citizens participating in health programmes have to register with eHealth and give “indefinite sharing consent” to the concerned healthcare provider in authorising them to view and upload relevant health records. It can be completed in one stop with two steps:

## (一) 閱讀「參與者須知」及「收集個人資料聲明」。請掃描以下二維碼查閱相關資料：

(1) Read the “Participant Information Notice” and “Personal Information Collection Statement”. Please scan the QR codes below to view relevant information:

(二) 向醫護機構出示身份證明文件以核實身份、同意登記及給予互通同意。通訊方式會預設為「手機短訊」，以方便接收系統發出的通知。

(2) Present identity document to the healthcare provider to verify identity, confirm registration and give sharing consent. To facilitate you in receiving notifications from eHealth, your communication means will be set as “mobile SMS” by default.
